Dear Mr. Johnson:

On October 31, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 14, 2000, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Examples of election day and voter registration activity include "exit polling", "door-to-door get out the vote", "get out the vote phone calls" and "driving voters to the polls". Unacceptable descriptions, which require additional clarification, include but are not limited to "advance", "consulting", "commission", "contract labor", "election day expense", "expenses", "other expenses", "expense reimbursement", "miscellaneous", "outside services", "get-out-the-vote" and "voter registration". (11 CFR §104.3(b)(4)) Please amend Schedule B of your report to correct the descriptions which do not meet the requirements of the Regulations.

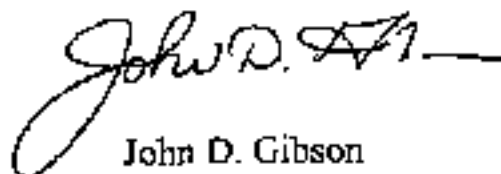

-Schedule B of your report discloses reimbursements to individuals for transactions other than travel, meals and lodging. Please be advised that

when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information. (11 CFR § 104.9)

An adequate response must be received at the Commission by December 12, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Christopher Whyrick on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.
